Wellness

Welcome to Ultima Hotel Courchevel's spa, your dedicated space to elevated wellness.

Soak up pure Alpine air and mountain views as you immerse yourself in our two spas, complete with Finnish sauna and outdoor Jacuzzi. Revel in a state-of-the-art space offering unparalleled experiences crafted around you, from deeply rejuvenating treatments and personal fitness, to bespoke yoga classes or simply relaxing in the fragrant steam room, all there to create moments of joy for our guests.

Ease hard-working ski legs with invigorating massages, restore radiance with bespoke facials and rebalance your mind, body and spirit with wellness programmes including meditation and reiki.

Our dedicated team is on hand to assist you on your wellbeing journey, from organising one-on-one training sessions to crafting a series of treatments by Augustinus Bader or Seed to Skin Tuscany to complement your stay. As with everything we do, our spa is here for one thing: Mastering the art of you.

Augustinus Bader

Inspired by over three decades of science and innovation, Augustinus Bader's award-winning approach to professional skincare is rooted in groundbreaking stem cell research and trusted by the world's most discerning experts. Professor Bader's clean, efficient formulas are powered by TFC8®, a proprietary cellular renewing technology clinically proven to help support the body's natural regenerative processes, to reveal the freshest version of yourself.

The Augustinus Bader Treatment Menu at Ultima Collection combines the science-backed power of TFC8® with world-class luxury and locally-sourced active ingredients, delivering exceptional benefits in an extraordinary environment. Bespoke treatments are rooted in The Method Augustinus Bader, which pairs TFC8® with customized fascia massage to help optimize cellular communication, promote circulation, and visibly firm, tone and rejuvenate. This highly sensorial, hands-on technique leverages Augustinus Bader's hero formulas to deliver the ultimate in indulgence while targeting specific concerns and addressing skin's unique needs at a deep level – for a one-of-a-kind experience with glowing, long-lasting results.

Massages

BODY TREATMENTS

SIGNATURE [60 | 90 min]

This extraordinary tailor-made nourishing and relaxing massage from head to toe, with delightful techniques will restore the feeling of relief followed by a nice nourishing face mask and cream application to give back the perfect glow.

DEEP TISSUE [60 | 90 min]

After a long day of skiing, this massage will relieve and restore the muscles with strong and powerful techniques, followed by a stretching method for the neck and shoulders with a warm towel and delightful infusion of relaxing essential oils.

HOT STONE [60 | 90 min]

Heated stones trace gentle paths across the skin, carrying warmth that softens every thought and muscle. Each movement invites the body to surrender, to melt into serenity and silence. A timeless ritual where heat becomes harmony, and relaxation turns into reverie.

MUM TO BE [60 min]

Brings the greatest comfort to you and your future baby with organic oils that will prepare and protect your skin during the pregnancy. Our team will dedicate their expertise for mum to be with gentle delicate movements that are specialized to accompany you during this journey of motherhood.

HEAD MASSAGE [30 min]

Relaxes and restores your mind with expert techniques such as shiatsu pressure points, scalp, neck and shoulders massage. Working on the trigger points with deep pressure and stretching methods with a warm towel and delightful infusion of relaxing essential oils.

Holistic Experiences

The holistic approach consists of taking into account the person as a whole rather than considering them in a piecemeal manner. This vision considers all aspects of a person's physical, mental, emotional and spiritual sides, in order to find the perfect harmony. Those different techniques allow us to rebalance the whole dimensions of a person and to achieve the well-being sensation at the utmost to prevent and to improve the general health conditions.

FOOT REFLEXOLOGY [30 | 60 min]

This technique is a gentle practice consisting of massaging the feet in order to stimulate the reflex points corresponding to all the organs in our body and their functions. Regular foot reflexology practice helps the body to stay healthy. This will improve your blood, lymphatic and energy circulation and rebalance your body's self-healing capacities.

CHI NEI TSANG [upon request]

Chi (energy) Nei Tsang (viscera) - or energetic massage of the internal organs - is a profound therapeutic massage with its roots in traditional Chinese medicine. The practice focuses on the navel and abdominal region, where stress, tension and negative emotions accumulate over the years. The aim is to work on all blockages and tensions and release energy to restore physical, mental and psychological balance.

SOUND HEALING THERAPY [upon request]

Sound Healing is a powerful therapy that combines different healing sounds, music, and sound healing instruments to improve our multidimensional well-being by creating a beautiful experience where body, mind and soul are awakened gently and lovingly. It's highly effective at triggering our relaxation response, which counters the many symptoms caused by chronic stress, while helping to balance our whole being.

MADEROTHERAPY [60 min]

Maderotherapy, derived from the Latin word "Madero" meaning wood, is a holistic healing technique that draws its roots from ancient traditions. This involve the use of various utensils of wood of different sizes and shapes, and especially designed to adapt to different parts of the body with the combination of massage techniques. It's stimulates and balances energy, reduces stress, and relieves muscular pain and joints. This therapy shows amazing results to reshape, firm and tone the body.
